The Treasurer's report was distributed and approved. Bill Sittard commented that the Association was in good financial condition.

Erica Howard, Band Manager, offered a bio of Caroline Barber, prospective band conductor, along with suggested programs for the 2012 Concert Festival. The programs were discussed and suggestions were offered from those present.

Gail Reynolds, Orchestra Manager, invited comments on the re-seating process in the Concert Festival Orchestra, and it was agreed that the current method was working well. She reported that work was progressing on selecting future conductors, and offered suggestions for the concert program, the first of which was approved.

Caleb Pillsbury, Chorus Manager, offered program options suggested by the chorus conductor, and after consideration, seven were approved.

The subject of fees for conductors was discussed at length.

Erica Howard noted that she had no conductor for the 2013 Concert Festival, and welcomed any suggestions, receiving several from members present.

President Cicciarella offered profuse thanks to Pam Rodgers for her last-minute willingness to host the 2012 Concert Festival at Killingly High School. Pam described the facilities there, and presented a slide show illustrating them. She also described probable sites for hotel rooms in the area, and her preparations for the event, with special emphasis on the travel times involved in the operation of the festival.

Tom Reynolds, Editor of the Bulletin and Website Manager, after noting his recent updating of the website, requested the usual information from the managers. He also disseminated a membership list for comment or correction, and a printout of Association calendar events for the coming year.

Steffen Parker, Co-coordinator of the solo and Ensemble Festival, reported that there were no significant problems with that area. He also offered questions as to the prospective problems inherent with the possible addition of a treble choir at a Concert Festival. He also welcomed any suggestions for adjudicators for future auditions.

Past President John Kuhner raised the question of a screening process for host families at Concert Festivals, presenting for all, two forms for consideration in devising such a screening, with emphasis on the problems of sex offenders and criminality. A relevant discussion followed. Motion by Steffen Parker: That the Association adopt the forms labeled: "Background Review Consent Form for Prospective Host Families", and "Risk Solutions". On behalf of the entire New England Music Festival Association, Inc., we would like to thank Frank Whitcomb and Ed Owens and all of the staff parents, and friends from the Burlington High School and greater Burlington, VT area for their outstanding job in hosting the 84th annual New England Music Festival held March , 2011. It was an outstanding musical experience for all of the student participants, and the hosts were most gracious and hospitable. This 84th

Festival will certainly serve as a model for future festivals and we congratulate all of those people who made this festival possible.

String Seating Policy

NEMFA STRING SEATING POLICY (approved 9/12/2009)

String students' Solo & Ensemble Festival scores will be used for initial seating placement, but seating may be reassigned at the Festival.

Students, sponsors and/or directors are responsible for acquainting themselves with this policy and preparing accordingly. *

FIRST CHAIR SELECTION POLICY & PROCEDURE:

Section leaders will be decided at the festival through an audition process. At the first rehearsal, all strings will be seated in score order within their assigned sections. The first chairs will be vacant. During the first rehearsal, players who wish to audition for first chair will submit their names to the Orchestra Manager. Auditions will be held as soon as possible, probably commencing during the first hour of rehearsal. Excerpts from the concert music will be used for the audition. First chairs will be announced after all auditions are complete. After the first chair is assigned, the section will fill in the remaining seats in score order.

In the event that no student(s) auditions for first chair, the seating based upon score will be used.

NON-FIRST CHAIR SEATING POLICY

Students may be moved within their section for any of the following reasons:

Reseating resulting from the adjustment made to accommodate the student who wins first chair. Students may be resealed by chair or by stand (depending on divisi requirements).

If a student is found to be noticeably less prepared than surrounding students, and demonstrates little progress within the first rehearsal, the student may be resealed further back in the section at the discretion of the Conductor and/or the NEMFA Orchestra Manager. This will be done without an audition.

Absenteeism may result in students being reassigned further up either by chair or by stand (depending on divisi requirements).

* Students, directors, sponsors or parents may not dispute seating changes or request seating re-auditions. No student may request to audition for a higher seat within their section, other than first chair. There are no challenges.

NEMFA Archives

You might remember that at the beginning of June I was working on the NEMFA archives collection that is being stored at the Harvard, Massachusetts Public Library. Old programs back to 1937 with more years ever since are being filed along with old Bulletins. The collection, known as the John R. Hansen

Memorial Archives of the New England Music Festival Association, has been organized by member of the staff of the Harvard Public Library. Programs and Bulletins are stored chronologically in boxes in a climate-controlled historical room in the Harvard Public Library. The hours of operation of the Harvard Public Library, Route 111, Harvard, Massachusetts 01451 are as follows:

Library Hours - Monday, Tuesday, Wednesday, Thursday - 10:00 - 9:00

Friday Saturday - 10:00 - 5:00 10:00 - 4:00

(Sat. 10:00 - 2:00 in June, July & August)

Sunday closed

Directions to the Harvard Public Library - From Route 2, take Exit 38 (Rts. 110/111) toward Harvard Common. Continue through the red blinking light on 111S. Past the school zone, take a right onto Pond Rd. The Library is on the right with parking available in front of the entrance to the building.

From Route 495, take Exit 28 (Rte. 111) and go toward Harvard. Continue on Route 111 toward the center of Harvard. Upon entering the school zone, take a left onto Pond Road. The Library is on the right with parking available in front of the entrance to the building.

I am still in search of any printed materials regarding any NEMFA concerts or related activities from 1928 to 1939, although I would welcome other materials that you, our membership, might come up with that you would deem to be worthy of saving in our archives.

As of 1 September 2008, the following Concert Festival Programs are not in our possession in the archives at the Harvard Public Library: 1928-1935, 1937, 1939, 1940, and 1941. The following Major Organizations Festival programs are not in our possession as well: 1939, 1940, 1941, 1952, 1953, 1954, 1955, 1956 and 1957. Additionally, I would welcome the donation of any recordings of past NEMFA concerts. Right now, our collection only includes concerts from the late 1990's to the present.

Another area that we have very little on records is that of old photographs. Certainly, photographs tell a million stories about our past festivals, as well as providing some insight into the daily life going on around those festivals at the time the photographs were taken.

The NEMFA Heritage Book published in 2007 will be updated with current officers and festival locations added as a short addenda to the present book. I am presently working on these addenda and hope to have it completed shortly. If you haven't yet seen the NEMFA Heritage Book, there are still plenty available. Remember, that each book is only \$10.00 each and may be obtained by sending a check of \$10.00 (payable to "NEMFA") plus \$2.50 shipping and handling to the following address:

New England Music Festival - Heritage Book, PO Box 102,
Templeton, Massachusetts 01468

If you would like to submit an article for this Bulletin regarding NEMFA-related or music education-related topics, please feel free to send it to me via e-mail at treynold@worldpath.net or via snail mail at NEMFA News-Bulletin, PO Box 102, Templeton, MA 01468.

Cordially,

Thomas E. Reynolds

Once again, we hope that you enjoy this new format of the bulletin. Please feel free to drop me a line at treynold@worldpath.net for any comments or suggestions to improve the Bulletin. It will also have a direct link on our website, www.nemfa.org.

Have a great summer!
