General Information for Hosts

Safety and prudence requires that each host, through their SSNs, be checked for criminal and sexual offense histories. Please fill out the above form, which will be kept strictly confidential.

All students will be staying at your home Thursday and Friday overnights. The hosts' responsibilities would be to give these students a place to sleep for two evenings, an evening snack on Thursday evening, a breakfast on Friday and Saturday morning, and dinner Friday evening (we will feed the students at the high school Thursday dinner and lunches on Friday and Saturday).

You are also required to supply adult transportation to and from school starting on Thursday evening after rehearsal (we will have a hosts meeting in the cafeteria on Thursday evening at 8:30 PM before pick-up). Bring the students to school on Friday morning, pick them up on Friday evening for dinner (to/from) and after Friday evening's rehearsal and finally bring them to dress rehearsal on Saturday morning.

Festival participants are not allowed to ride in vehicles except those driven by adult hosts. No student driving is allowed at any time.

There are strict rules and curfews concerning all students. Each student has a chaperone from home with them for the duration of the Festival, and chaperones are available at all times if there is a need.

Please return the above form no later than February 20 to:
