

From points west on Route 4:

Follow Route 4 east until it comes to a "T" in White River Junction (The Listen Center is now where 25,000 Gifts used to be- long building with a bright green roof); take a left, this is a combination of Route 4 east and Route 5 north; at the next light take a left, this is still Routes 4 & 5; go across the bridge over the White River; on the other side go straight through the light and up the hill. The entrance to the school has changed! You need to go right into a jug handle at the top of the hill. This will bring you perpendicular to Route 5 at a light. Go across Route 5. At this point you are headed directly between the Middle and High School. The high school is on the right.

From points north on 89:

Follow 89 south heading toward White River Junction; you have two choices (1) get off exit 1 (Woodstock/Quechee) and turn right onto Route 4 east; follow directions from points west on Route 4...or...(2) follow 89 south to the interchange with I-91 North and follow the exit signs for White River Junction (the first, very immediate Exit 11); at the end of the exit continue straight onto Route 5 north; You'll go through 1 stoplight, 1 blinking light, and at the next light take a left, at this point you are on Routes 4 east and 5 north. Go across the bridge over the White River; on the other side go straight through the light and up the hill. The entrance to the school has changed! You need to go right into a jug handle at the top of the hill. This will bring you perpendicular to Route 5 at a light. Go across Route 5. At this point you are headed directly between the Middle and High School. The high school is on the right.

From points north on 91:

Go south on I-91 and take exit 12 (Wilder); at the end of the ramp take a left onto Bugbee St.; go about $\frac{1}{2}$ mile to the end, take a right at the stop sign; you are now on Route 5 south, take your 4th right, which is at a stop light (if you go down the hill you've missed it). The entrance to the school has changed! At this point you are headed directly between the Middle and High School. The high school is on the right.

From points south on 91:

At the interchange with I-89 follow the exit signs for White River Junction; at the end of the exit take a left onto Route 5 north; You'll go under the interstate; go through 1 stoplight, 1 blinking light, and at the next light take a left, at this point you are on Routes 4 east and 5 north. Go across the bridge over the White River; on the other side go straight through the light and up the hill. The entrance to the school has changed! You need to go right into a jug handle at the top of the hill. This will bring you perpendicular to Route 5 at a light. Go across Route 5. At this point you are headed directly between the Middle and High School. The high school is on the right.

From points south on 89:

Follow 89 north, go across the Connecticut River into VT, take the first exit in VT which will put you on 91 north, this exit ramp becomes the exit ramp off of 91 for White River. At the end of the exit merge directly onto Route 5 north. Go through 1 stoplight, 1 blinking light, and at the next light take a left, at this point you are on Routes 4 east and 5 north. Go across the bridge over the White River; on the other side go straight through the light and up the hill. The entrance to the school has changed! You need to go right into a jug handle at the top of the hill. This will bring you perpendicular to Route 5 at a light. Go across Route 5. At this point you are headed directly between the Middle and High School. The high school is on the right.
